Alum baking powders are unhealthful. Do not use them for raising food under any circumstances. So detrimental are alum baking powders considered, that in most foreign countries their sale is prohibited. In many States in this country the law compels alum powders to be branded to show that they contain this dangerous acid, while in the District of Columbia, Congress has prohibited the sale of all food that contains alum.

Alum baking powders are sold to consumers at from 10 cents a pound to 25 ounces for 25 cents, or 25 cents a pound, and when not branded may generally be distinguished by their price.

Seven months ago a man in Canada owned a small vein of silver ore that cost him \$5. He sold it to a big Broadway banking house for \$135,000. A few days ago the largest smelting firm in this country made an offer of \$235,000 for the property, which was refused. Just one of those unusual incidents in our industrial life which drive a clerk at \$15 a week to distraction.

A chemist of Brussels devoted his attention especially to metalizing embroideries, and created wonderful effects. Until quite recently they could not be made of practical value, and only now a beginning has been made by an inventor, the details of which are kept a secret. A stock company has been formed for its exploitation. According to the Paris Cosmos, the company has created a sensation with their products.

## THE MAN OF THE HOUR

He stood in the hall at midnight, But the clock was not striking the hour. For his careful touch had stilled it. Ere the storm had time to lower. He said, as the stairs he climbed softly, "A hero of labor I'm like— For surely this night I've averted A most disastrous strike."

## Don't Put Off.

For tomorrow what you can do today. If you put off buying a bottle of Ballard's Snow Liniment, when that pain comes you won't have any, buy a bottle today. A positive cure for Rheumatism, Burns, Cuts, Sprains, Contracted Muscles, etc., T. S. Graham, Prairie Grove, Ark., writes: "I wish to thank you for the good results I received from Snow Liniment. It positively cured me of Rheumatism after others had failed. Sold by St. Bernard Drug Store."

If any of our neighboring states should be short of candidates for Governor, Pennsylvania will be able to supply them and have plenty left for her own use.

Even if Mr. Platt was the only Senator present when the Chaplain made the opening prayer the other day, there was plenty of work for the Chaplain.

## Devil's Island Torture.

is no worse than the terrible case of Piles that afflicted me ten years. Then I was advised to apply Bucklen's Eucalypti Salve, and less than a box permanently cured me. writes L. L. Napier, of Rugles, Ky. Heals all Wounds, Burns and Sores like magic. 25c at St. Bernard Drug Store.

The real fun will come, however, when "Andy" Hamilton furnishes a list of the legislators he bought with the "Yellow Dog" fund.

Living indoors so much during the winter months creates a sort of a stuffy, want-of-ozone condition in the blood and system generally. Clean up and get ready for spring. Take a few Early Risers. These famous little pills cleanse the liver, stomach and bowels and give the blood a chance to purify itself. They relieve headache, sallow complexion, etc. Sold by Jno. X. Taylor.

Awful suspicion begins to dawn that Mr. Carnegie's "spelling" is a little bit rocky at last.

## Big Little Men.

James R. Keene, the ablest stock market operator the world ever has known, is very slight of stature, with the hand of a fairy and the foot of a Cinderella. Jacob Schiff, the eminent Hebrew philanthropist, is almost homeopathic in size. Deacon White never boasted of bigness. Andrew Carnegie, worth \$340,000,000, is one of the brainiest men in the whole world. He is scarcely five feet high. Henry H. Rogers is no shakes in physique. George B. McClellan was a great but unfortunate soldier, known as "Little Mac." The late Gen. Wheeler was exceedingly minute. The greatest Japanese soldier and sailors are little fellows. —Pittsburg Dispatch.

## Human Blood Marks.

A tale of horror was told by marks of human blood in the home of J.W. Williams, a well known merchant of Bac, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures Hemorrhages, Chronic Coughs, Settled Colds and Bronchitis and is the only known cure for weak lungs. Every bottle guaranteed by St. Bernard Drug Store. 50c and \$1. Trial bottle free.

A new steel for tools is being placed on the market; it can be hardened by simply heating to a high temperature and allowing it to cool in the air. Tools made out of this steel do not become soft through growing hot while being worked.

## A LIFE SAVED

READ THIS LETTER FROM A GRATEFUL KENTUCKIAN

Princeton, Ky., Feb. 4th, 1903. I wish to state for the Foerg Remedy Co., of Evansville, Ind., that I believe their great Remedy, known as Foerg's Remedy, the great blood purifier, saved my brother's life some ten years ago. He was troubled with a blood disease, and it seemed he could get no relief until he took Foerg's Remedy same as manufactured by this company. After taking five bottles he was entirely relieved of his trouble, and when he died some five years ago he was entirely well of that disease. I also took two bottles as a blood purifier and was much benefited.

(Signed) C. H. LEWIS, Princeton, Ky.

(Attest) H. C. STONE, Princeton, Ky.

## Courtesy to the Cloth.

He was a young and smart-looking Scots clergyman, and was to preach a "trial" sermon in a strange church. Fearing that his hair might be disarranged or that he might have a smudge on his face, he quietly and significantly said to the beadle, there being no mirror in the vestry:

"John, could you get me a glass?" John disappeared, and after a few minutes returned with something under his coat, which, to the astonishment of the divine, he produced in the form of a bottle with a gill of whisky in it, saying: "Ye mauna let on about it, meenister for I got it as a special favor, and I wadna hae got it if I hadna told them it was for you."

## The Richest Man in the World.

The richest man in the world can not have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have seen Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have caused me my life."

## He Lasted Well.

They were in the family portrait section of the gallery, and it seemed to Miss Golightly that her English visitor was deeply impressed.

"Yes, these are all my ancestors," she said proudly. "Now, this is my great-great-grandfather, when he was a young man, of course. Isn't he handsome? My grandfather used to tell my mother that his grandfather—that's this one—was a splendid looking man as long as he lived and as popular with women as with men because he was such a hero."

"Brave? I guess he was! Why, he never fought in a battle that he didn't lose an arm or a leg or something from being right in front of everybody! He was in twenty-three engagements!"

## The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds.

There are 215,000 miles of track, not including sidings and what are known as second tracks, in the United States.
